Tue Louisville Democrats want no shenanegan in regard to the ming of elections to fill the va cancies in the General Assembly. They are gold demand that an election be called for choosing a ager. It would be an un mitigated outrage for the Governor not to issue calls for all secancies, if there is to be a special session of the General Assembly, in time for the vacancies to be regularly filled by the people of the respective districts.

THE Republican cilverite revolt last week. in Congress causes to be told some truthe unpalatable to the Eastern Republican leaders. Republican Scuator Mantle, of Montana, stated Sunday morning and Eld. Simpson Sunday afternoon. in a speech that the Dingley bill was not a measure designed for protection or revenue, but, he believed, it was a political measure.

Still, the authors and promotors of Jesse Crouch, our oldest citizen. evening. it hypocritically pretend that it has a coverlet that was made by was for the purpose of supplying a deficiency in the revenue, and no doubt will so try to convince the people in the campaign this year.

The success Crouch, blas of click, bar of deep that was made by here last week.

Aaron Fanning, of was here Sunday.

Mrs. Crouch, his wife by 2d marriage, has a quilt of 2,700 pieces that was pieced by her mother at Robert Nickel and

Gov. Bradler is making himself the age of 75 years; also a white solid with the influential convicts counterpane that she herself needle and their friends by turning the worked when she was a girl of 10 former out of prison. At the rate he is pardoning them now he bids good today as it was 58 years ago, fair to make a new record, surpassing even that of soft-hearted Gov. Blackburn. Since it is already difficult entirely beyond a healthy state of public sentiment and just government to secure the conviction of criminals of influential connections, Gov. Bradley's free exercise of the pardoning power may not make him popular with even the law-abiding element of his own party. Corrupt politics is the oportunity of lawless people.
